Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Genera of the Plants of the United States, Vol. 1: Illustrated, by Figures and Analyses From Nature, Plates 1-100 The design of this work is to illustrate the Botany of the United States by figures, with full analyses, of one or more species of each genus, accompanied by descriptive generic characters and critical observations. The figures in all cases are drawn directly from nature, by Mr. Sprague, and from the living plant whenever that is practicable. In almost every instance, the whole plant, or a branch or smaller portion, in flower and often also in fruit, is delineated of the natural size; and the microscopical analyses, as numerous as the compass of an octavo page will allow, are so chosen as to display the principal floral characters of the genus, from the aestivation of the flower-bud to the fruit, the seed, and the embryo. When needful, on account of size or of subgeneric diversity, two plates are devoted to the illustration of a single genus. On the other hand, characters which are uniform or nearly so throughout a whole order are not repeated upon every plate. The illustrations are not drawn from various orders and classes at random or convenience; but the natural families are taken up in regular sequence, according to the arrangement now most prevalent among botanists (following very nearly, though not implicitly, the order adopted in the Flora of North America by Dr. Torrey and myself), and all our genera of each family are published together, in their proper places; thus rendering the volumes systematically complete, as they appear. About the Publisher Forgotten Books publishes hundreds of thousands of rare and...
