Summary: Praise for Raising Boys by Design " Raising Boys by Design is a fascinating and thoroughly enjoyable read. It's marvelously inspiring, well thought out, and academically supported, but it's also an intuitive guide to raising boys. Every parent, teacher, and grandparent could benefit from this work." --Gary Thomas, author of Sacred Marriage and Sacred Parenting "Blending biblical truth with brain science, Raising Boys by Design is truly a ground-breaking resource that offers much-needed insights for guiding boys toward health and success in every area of life." --Tim Clinton, PhD, president of the American Association of Christian Counselors and executive director of the Center for Counseling and Family Studies at Liberty University "Raising boys in today's world is no easy task. We need to understand how boys process their emotions and deal with bullying, peer pressure, technology and other important issues--all of which are covered here. This must-read resource helps equip families to raise sons who will be well adjusted and heroes for life." --Linda Mingle, PhD, author of Raising Healthy Kids in an Unhealthy World "We live in a society where it's dangerous to be a normal, rambunctious, healthy boy. High energy is labeled hyperactive, competitiveness to excel is deemed selfish, and single-mindedness in completion of a task is considered insensitive. Society's constant attack on normal maleness instills a destructive insecurity and sense of inferiority into countless thousands of otherwise normal healthy men. Raising Boys by Design brilliantly exposes this destructive trend while providing meaningful insights and applicable solutions. If you want to protect your sons from the corrosive effects of today's world and empower them to become men after God's own heart, then this book is for you." --Timothy R. Jennings, MD,...
