Sabin Americana Description: Based on Joseph Sabin's famed
bibliography, Bibliotheca Americana, Sabin Americana, 1500--
1926 contains a collection of books, pamphlets, serials and
other works about the Americas, from the time of their
discovery to the early 1900s. Sabin Americana is rich in original
accounts of discovery and exploration, pioneering and
westward expansion, the U.S. Civil War and other military
actions, Native Americans, slavery and abolition, religious
history and more. Sabin Americana offers an up-close
perspective on life in the western hemisphere, encompassing
the arrival of the Europeans on the shores of North America in
the late 15th century to the first decades of the 20th century.
Covering a span of over 400 years in North, Central and South
America as well as the Caribbean, this collection highlights the
society, politics, religious beliefs, culture, contemporary
opinions and momentous events of the time. It provides
