Peter Lang Publishing Inc, United States, 2000. Hardback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book. Juan Valera (1824-1905) was Spain s only realist with a lifelong insistence that narrative privilege invention over testimony. Throughout Valera s lengthy career, his novels engaged in a running esthetic debate with those of his chief rivals, Galdos and Alas. This debate, chronicled in the present work, led to many compromises and ultimately produced, in the twentieth-century fiction of Valle-Inclan and Unamuno, a novelistic form, also detailed here, that exhibited clear debts to Valera s catalytic influence.
