Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The First Book of Poetry: For the Use of Schools, Intended as Reading Lessons for the Younger Classes I have given a place in this collection to some of the beautiful little pieces composed by Dr. Walls, which I had long regretted to see consigned almost entirely to the mere nursery; while, from their exquisite simplicity, their natural pathos, and their soundness of precept, they claim partiality and distinction from persons of mature taste. I have also found means to adapt a few of the celebrated Fables by Mr. Gay to my present purpose, by. making use of nothing more than the simple story of each, which in all instances will be found to contain a moral or application sufficiently obvious to create a lively interest. Indeed, a part of my plan was to make a selection that should supply readings for the different capacities usually existing in pupils of any age between six and twelve years, after which period, I conceive, my Poetical Class-Book, lately published, may be put into their hands with advantage. My last care was to publish this little volume in a form rather adapted to use than ornament. It therefore appears in a plain sheep binding, uniform with my Junior Class-Book, my School Dictionary, and my Poetical Class-Book for Senior Pupils.
