Blurb, United States, 2015. Hardback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Lieutenant Dani Castello lost her partner, lover, and almost fiance. Detective Jake Santos lost a twin brother he only recently met. Katie Granta lost her father two minutes after she met him for the first time. Dani was told to take a vacation to get her head back in the game after her loss. But there is no way she can do that. Not with the killer still on the loose. Her life gets more complicated when Jake shows up. A man that looks exactly like the man she lost. A man she had never met or heard anything about. If that wasn't enough, someone is killing teenagers, and the only clue they have is they all have the same tattoo--a tattoo that was designed over forty years ago. Jake transferred across the country to find the person responsible for taking his brother away from him. While he was only just getting to know his brother, he felt the bond that was missing all his life. Dani came up in more than one conversation as they were trying to get to know each other. Now that Jake has met her, he is seeing firsthand why his brother fell head over heels in love with her. All he has to do now is find the killer before he falls for his brother's woman, and if that wasn't enough, he has to find the niece he didn't even know he had before something happens to her. Katie ran away from home to protect her mother. She was alone until she met a boy that helped her learn how to survive on the streets. Just as the loneliness was starting to...
