Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. You ve probably seen your share of superhero movies. You know the type-sexy guy saves the world and maybe kisses the girl right before the credits role? Sweet, right? This is not that kind of story. This story tells the other side of the superhero-the one who comes home everyday. This is the story about what it s like to be married to a superhero. But don t worry-I left all the boring stuff out, and kept only the stuff that is a little.spicy. This story contains graphic and erotic depictions of consensual sex between a married couple, and is not for anyone under the age of 18.
