It is important that we know what voice to listen to, when we seek advice and guidance. It is crucial that we know that we have been guided by ego for centuries and that this voice has been the cause of separation. Now it is necessary that we be vigilant of our thoughts and what we are listening to, if we are to be led safely through the changes. The time to make correction of error in our consciousness is here. We are Spiritual beings and need to make the connection with our higher selves and discover who we really are and what we are doing on this Earth. We are One with all life forms and need to end separation, but it must begin inward.
