Summary: Have you made the leap yet from working a J-O-B for someone else to working at home (or from anywhere) for yourself? If you are already running your own business and want to crank up your productivity, the strategies in this book can help you with that. If you are just getting ready to make this dream happen for yourself, these time management and productivity techniques are going to be a critical catalyst for your success! I KNOW what it feels like to be spinning your wheels and staring at incomplete to-do lists day after day in frustration, feeling overwhelmed at everything that needs to be done. It wasn't until I finally made the commitment to conquer procrastination once and for all, that I easily achieved my dream of location independence months later. In fact, this book was published from an island in the south of Thailand. Whether your goals are to travel the world and work from anywhere or to run a successful business from home to allow you to spend more time with your family, time management is the critical piece...
