Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

SPIRITS OF THE PLACE: NEW POEMS

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Spirits of the Place: New Poems, Tony Connor, Tony Connor's new collection - his seventh in all, and his first since the 1982 "New and Selected Poems" - evokes the spirits of very different places, times and people. The poems move eastwards from America, where he has settled, back to Lancashire where he was born and bred (and where, it transpires, Mr Hubbard had survived Tony Connor's well-known elegy on him for many years), and finally to India. Tony Connor's unsentimental realism is matched, as always, by his broad human sympathies and a firm craftsmanship.
