

Rethinking Survival: Getting to the Positive Paradigm of Change

By Patricia E West Ph D

Createspace, United States, 2014. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Albert Einstein is the real hero of Rethinking Survival. Readers worldwide are becoming increasingly ready to heed the prophetic warnings of this internationally loved and respected genius. We shall require a substantially new manner of thinking if mankind is to survive. Einstein already had the Unified Theory, but didn't know it. As West reveals here, he missed it because he lacked the yoga-compatible model of concentric circles into which gradations of light, energy and mass are placed in a two-directional, infinite continuum. The Positive Paradigm Wheel pictures an elegantly simple yet complete and correct reality map. It meets the Occam's Razor standard: maximum inclusiveness with greatest brevity. Rethinking builds on the work of comparative religion legend Joseph Campbell. It answers his concern that myths don't meet today's needs. The Positive Paradigm is a framework which, in his words, recognizes the humanity of a person on the other side of the hemisphere. It shows how experience on the purely physical plane resonates with innermost being and reality. Structure. Rethinking starts with THE PREMISE: Why You...
