FABER FABER, United Kingdom, 2014. Paperback. Book Condition: New. Open Market - Airside ed. 178 x 111 mm. Language: English . Brand New Book. There can t be a woman alive who hasn t once realised, in a moment of panic, that she s in the wrong place at the wrong time with the wrong man. Louise Doughty, more sure-footed with each novel, leads her unnerved reader into dark territory. A compelling and bravely-written book. (Hilary Mantel). A superb novel. Grown-up, genuinely suspenseful, wonderfully well-constructed, intelligent and provocative. I really didn t want to finish it. And I don t say that very often. (Julie Myerson). Once you start you can t stop reading. Terrific. (Helen Dunmore). Yvonne Carmichael has worked hard to achieve the life she always wanted: a high-flying career in genetics, a beautiful home, a good relationship with her husband and their two grown-up children. Then one day she meets a stranger at the Houses of Parliament and, on impulse, begins a passionate affair with him - a decision that will put everything she values at risk. At first she believes she can keep the relationship separate from the rest of her life, but she can t control what happens next. All of her careful plans spiral into greater deceit and, eventually, a life-changing act of violence. Apple Tree Yard is a psychological thriller about one woman s adultery and an insightful examination of the values we live by and the choices we make, from an acclaimed writer at the height of her powers.
