Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.GERMAN SENTENCES Vol.1: English to German THIS EDITION: The dual-language text has been arranged into sentences for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing grammar, and as a precursor to more advanced bilingual editions. Volume 1 in this series provides a good general overview of the German language and its grammar. It also includes some of the basic grammar charts. The text uses a bilingual sentence structure to tackle grammar. It can be used as an initial source for understanding German grammar, or as a way of reinforcing an alternative text on grammar. However, it can also be read in a relaxed manner without endeavouring to analyse to excess, thus learning key grammatical concepts in a somewhat passive manner. Topics include Arrival, At the Hotel, Shopping, Getting Around, At a Restaurant, Moving In, Medical Help, Telephone Calls, Invitations, Conversations. The digital edition also contains the content in German to English format. However, the print versions in English to German and German to English are two separate books. Once a student has studied the basics, a suitable book about basic grammar can be helpful. The suggestion is that any alternative grammar book be studied more with the intent of recognition and understanding, rather than memorising and obsessive rote learning. Go through as much of the grammar book you feel you can digest - maybe even the whole book - skipping over what is not easily understood. Then, read through a portion of text in this book, looking for examples of what you have picked up (or gleaned) in your hopefully not so arduous study of grammar....
