Escallonia Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A History of the U.S. in 20 Movies: an All-Movie History Course / Volume One the First Ten Movies provides an accurate, thorough overview of American history by explaining interesting movies based on American history, all of which are available on Netflix and/or Amazon. This is a fun history course packed into one book and twenty movies. This book will walk you through each movie using virtually every appropriate detail, providing historical context, explaining historical references, pointing out pertinent cinematic devices, and even occasionally tossing-in a tidbit of Hollywood history. Over two hundred and fifty films are referenced in both volumes one and two (making this book also a resource for teachers). The movies and this book entertain by emphasizing history as human drama, which is what we go to movies for and what movies go to history for. The dates, the statistics, the treaties, etc. are here in abundance, but they are presented in a way that enhances the narrative. There is one movie per chapter...
