A family of three are off on the adventure of their lives, sailing the Seven Seas and soon they found more adventure than they could have ever imagined. Pirated by an escaping criminal, they were in trouble. Every which way they turned, he was one step ahead. The police didn't care, they had left the country. They had to better the odds and beat the Pirate at his own game. Soon, they fell afoul of Mexican desperados, and they were really in trouble. Deadly trouble. Thinking of sailing around the world? Before you go, read what might happen, out there in the wild blue sea. Mike Riley has been there and back. He's seen the world on both sides of the law and he writes of what he knows, having circumnavigated twice and seen the inside of a jail. And he doesn't hold back any punches. If you like to read about sex, violence and crime, this is a book for you! One hell of a read! You won't put it down!.
