However, the book is absolutely free to distort the facts of the case. or despite the author's imagination and gives a false impression or gloss over facts. Book harvest forest wilderness rather than in the study. In fact, dedicated to the readers of precise observation and experience to make a careful and precise records. therefore, as it is said. every word is true. However, we are most interested in ornithology make than the pursuit, tracking and discovery. Fun with hunting, fishing and outdoor activities are similar. No matter where we go, it is accompanied by visual and auditory to. The executive summary wake forest is famous for famous American writer John Burroughs. Wake forest is a book about birds. We follow Burroughs came to the Hudson Valley, and listen to the concert of the forest bird; walked into the forest filled with original flavor to observe the different birds nesting fun; in Palestine small garden, see dove over the magpie's nest scene. This is not just a book about birds. she let us enjoy the fresh and beautiful flowers and nature, as well as interest in and knowledge of the wilderness and jungle. More importantly, she tells us that an attitude towards nature. The the directory first version of the...
