Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

RIDE COLLECTOR: MAINE TO MISSISSIPPI IN 5 DAYS, 25 RIDES, \$4.40

Double Pixel Publications, United States, 2013. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.In late summer 1993, I set out from Bar Harbor, Maine on an 1800 mile hitchhiking odyssey. (I was headed home to coastal Mississippi to surprise my mom on our shared birthday.) This is the story of five days and twenty-five rides, of kindness and frustration, of boredom and adrenaline, of music and silence -- it is the story of a journey. My last journey as a reckless teenager. Don t try this at home. Better yet, don t try this at all. But do enjoy reading about it.
