*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

My brothers and I became members on February 28th, 1992. That fateful Friday afternoon was the day the world lost a little of its color and left a little darkness in all of us. We never even saw it coming. Over the years, People have often told me that I needed to write a book about the impact the loss of my father has had on me and my life. So, after nearly twenty years, I finally did. In a time where there isn't much comfort, I hope you will find some sense of support as I take you on my journey. Perhaps yours will turn out to be a lot like mine was, perhaps it won't. Regardless, I want you to know, these waters are not uncharted. Many have come before you, many more will come after you. I know it doesn't mean much, but from one member to another - you will get through this. Karina Gioertz.
