## Planet Broadband (Hardback)

By Rouzbeh Yassini, Stewart Schley

Pearson Education (US), United States, 2003. Hardback. Book Condition: New. 237 x 160 mm. Language: English . Brand New Book. Understand what broadband is, why it is the fastest growing consumer media product since the VCR and what it means to you \*Learn about the historical development of broadband and understand its future course \*See how this technology will alter how we live, think, and do business \*Hear how recognized leaders in business, academia, and government see broadband literally reshaping their institutions, through thought-provoking interviews and commentary The fastest-growing consumer media product since the VCR, broadband is a lightning-fast, always-on connection to a world of digitized media content. A technology that transforms the Internet from a dry medium of words and pictures to a multimedia extravaganza. Until recently, high-speed broadband data connectivity was purely the province of corporate America. But now, thanks to an ambitious multi-billion dollar investment by the telecommunications industry, broadband is fast becoming the most influential medium of communications since the telephone. Planet Broadband helps readers understand the looming era of broadband communications and how they can profit and prosper from its onset. Written in an informal-but-informed voice, it begins with an observation about the broadband age. Each...
