Tate Publishing Enterprises, United States, 2012. Paperback. Book Condition: New. 221 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Are we in the tribulation now? Will there be a rapture? If so, when? Will the world end in 2012? Some would call this book a book on prophecy; some would call it a book on eschatology. But in essence, this book is a history book. This volume relates events in future history in a logical, chronological order. It takes readers through the events that must occur before the actual tribulation begins. It answers questions that have been unanswered to this point, such as: [note to layout: bullet list] Does the Bible prophesy modern-day events that will happen before the tribulation begins? Can we know that the rapture will happen before, during, or after the tribulation? When the events of prophecy begin, how long will it be until Christ returns? What does the Bible call present-day believers, and what will their role be? Is there a period before the tribulation that is named in Scripture, and if so what is it called? -end These and many more questions are answered by Scripture in this book. God tells us all of these things in detail.
